Mentoring Protocol Guide

The purpose of this mentoring protocol is to explore students’ community and civic engagement experience, strengths, and interests and to connect students to Pitt civic engagement programs.

**Step 1) Quiz:** Students should take the Pitt Civic Pathways Survey via this link: pi.tt/civic-survey. The quiz takes about 15 minutes. You may instruct the students to print out or take a screen shot of the results and bring them to your discussion.

**Step 2) Discussion:** Engage in discussion questions with your student(s) after they have taken the Civic Pathways Quiz. As time allows, ask follow-up questions.

**Step 3) Opportunities:** After your discussion, point the student(s) towards civic opportunities at Pitt that meet their interests. Help them connect to specific areas of interest. Feel free to use your own areas of knowledge and expertise. The opportunities in the brochure and link are all great Pitt opportunities, but you are welcome to point out things that suit the student’s unique interests.

Background
